

WATER HEATER REBATE FORM

Water heating is typically the second-largest energy expense in your home, after space heating and cooling. It usually accounts for about 14 percent of your utility bill.

Qualified members may receive up to \$200 for installing an electric water heater.

I agree to observe the guidelines of the water heater rebate program. Offer available to STEMC members only and applies only to standard, tanked water heaters with a **nominal capacity of 40 gallons** or more. I grant Southwest Tennessee Electric the authority to check for physical installation of the water heater. I am enclosing a copy of the water heater receipt or invoice.

SIGN

DATE
