

# 2018 ANNUAL MEETING

Southwest Tennessee Electric Membership Corporation

## MARK YOUR CALENDARS NOW!!

### Annual Members' Meeting

Once again, we are busy making plans for the Annual Members' Meeting to be held August 10 at the Jackson Fairgrounds Park. We have four director positions up for election this year and by participating and voting, you will help to set the future course of your Cooperative. Meeting the needs of Southwest's members will continue to be a challenge for the board and management of STEMC. By electing strong, knowledgeable directors, those challenges will be met with the assurance that STEMC will continue to provide the best possible electric service at the lowest possible cost. The Notice of Annual Meeting along with the ballots for the election will be mailed mid July and will contain the names of members nominated for the three director positions. Please return your ballot in the postage-paid envelope provided as soon as possible, making sure you follow all directions for voting.

This year's event promises to be fun, entertaining and hopefully, will provide our members with additional information on the plans for the future of their Co-op. Our entertainment this year will be the Mike Snider String Band. Oh.. and let's not forget the door prizes. We will have lots of prizes this year so make sure you register upon arrival. We strive every year to make your Annual Members' Meeting an enjoyable event for everyone. Please make plans to join us on August 10.

Members of STEMC's Service Area, please join us
