STEMC is seeking OSP Fiber Specialists

This position is being posted **Internally** and **Externally**.

STEMC is currently in the process of building its Smart Grid Fiber Network and needs (2) OSP Fiber Specialists to perform all duties related to the construction, operation, and maintenance of the network. Duties include fiber splicing and documentation, outage troubleshooting and routine testing of fiber assets.

High School Diploma or equivalent is required. Preferred are certifications in skilled trades related to electrician, HVAC, industrial maintenance, and similar areas of study or prior experience with OSP construction, operations, and maintenance. Experience in bucket truck operations and certification in climbing and pole-top rescue are a plus.

Must be able to obtain Class A Driver's license and DOT Medical Examiner's Certificate within 6-months of employment.

Positions are being sought for STEMC's Covington Office (1) and Jackson Office (1). Applicants must live within thirty (30) minute drive per Google Maps from their office they will be reporting to.

Please contact STEMC for a full job description.

Benefits include health, dental, life and LTD insurance, 401K, paid vacation, sick leave, and holidays.

Applications should be submitted to Amy Tipton, VP of Human Resources, atipton@stemc.com or Stacy Dinkins, HR Assistant, sdinkins@stemc.com by 5:00 pm, Friday, October 7, 2022.

An equal opportunity employer male/female/disabled.
