STEMC is seeking OSP Fiber Specialists

This position is being posted internally and externally.

STEMC is currently in the process of building its Smart Grid Fiber Network and is need of three (3) OSP Fiber Specialists to perform all duties related to the construction, operation, and maintenance of the network. Duties include fiber splicing and documentation, outage troubleshooting and routine testing of fiber assets.

High School Diploma or equivalent is required. Preferred are certifications in skilled trades related to electrician, HVAC, industrial maintenance, and similar areas of study or prior experience with OSP construction, operations, and maintenance. Experience in bucket truck operations and certification in climbing and pole-top rescue are a plus.

Must be able to obtain Class A Driver's license and DOT Medical Examiner's Certificate within 6-months of employment.

Applicants must live within thirty (30) minute drive per Google Maps from ANY nearest STEMC office. However, report-to locations will be STEMC's Atoka Office, Brownsville Office, and Henderson Office.

Please contact STEMC for full job description.

Benefits include health, dental, life and LTD insurance, 401K, paid vacation, sick leave, and holidays.

Applications should be submitted at any STEMC office or downloaded from our website at www.stemc.com and e-mailed to atipton@stemc.com or sdinkins@stemc.com by 5:00 pm, Wednesday, September 16, 2020
